

Somero is proud to re-offer the **S-22EZ Advanced Laser Screed® Machine** - one of the most technologically advanced Laser Screed® machines available in the world. It is packed with features that give you the competitive advantage and allows you to choose from several options to build the perfect machine to meet your needs.

Equipped with 360° machine rotation, a 20 foot telescopic boom and your choice of pivoting screed heads, **the S-22EZ continues the tradition of delivering the industry's highest quality and production rates with unsurpassed maneuverability.** The customized OASIS laser control system is simple to operate and is upgradeable as technology advances. A redesigned, EZ Clean Head reduces clean-up time and improves long term maintenance. New convenience features and redesigned storage compartments improve ergonomics around the machine and operator efficiency.

The S-22EZ options platform allows you to build the machine you need to meet your demands. A few of the available options include: 12' or 14' vibrator width, roller plow, lower frame storage, spray bar, the **Somero® 3-D Profiler System®, Somero® Floor Levelness System®,** and many more.

FEATURES/BENEFITS:

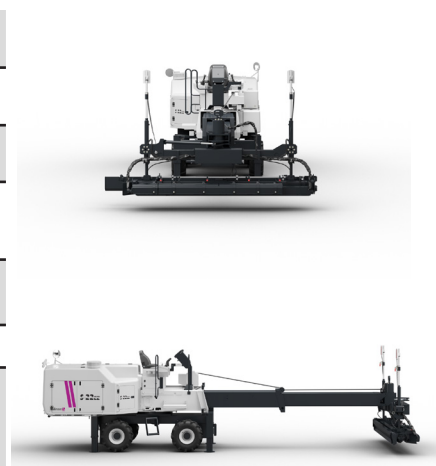

**denotes industry exclusive features*

- > Full Color LCD Display w/ Integrated Diagnostics
- > EZ Clean Screed Head*
- > Head Transport Stands*
- > Column-Block Protection*
- > Soft Landing*
- > Programmable Quick Pass*
- > 360° Machine Rotation*
- > 125° Hydraulic Head Rotation*
- > Hydraulic Pressure Washer & Hose Reel* (3000 psi)
- > Somero® Quick GradeSet System™*
- > LED Work Lights & Compartment Lighting*
- > Built-In Storage
- > Automatic Throttle
- > Auxiliary Power Unit*
- > OASIS Laser Control System*
- > Hydraulic Oil Pre-Heater*
- > 2-Wheel, 4-Wheel, Crab Steering Modes
- > 4-Wheel Drive
- > Operator Heat*
- > Concrete Institute Training & Certification Program*
- > Online Self-Study Training Program*
- > Hydraulic Screed Head Rotation
- > Hydraulic Pressure Washer (3,000 PSI/207 Bar) & Hose Reel*

SPECIFICATIONS:

WEIGHT	14,700 lbs / 6,668 kg with 12' (3.7 m) Screed Head
WIDTH	7'2" / 2.2 m outside of tires
HEIGHT	8'3" / 2.5 m
LENGTH	27'10" / 8.4 m (transport mode with 12' / 3.7 m screed head)
SCREED HEAD WIDTH	14'7" / 4.44 m standard, 16'6" / 5.02 m optional
VIBRATOR WIDTH	12' / 3.7 m standard, 14' / 4.3 m optional
ENGINE	
STANDARD	65 HP (48.5kW) Cummins, Turbo Diesel, Tier 4 Final
OPTIONAL	74 HP (55.4 kW) Kubota, Turbo Diesel, Stage 5*

** this engine is mandatory in some locations in the world*

OPTIONS:

- Roller Plow
- Somero® 3-D Profiler System®
- Spray System
- Lower Frame Storage Compartments(s)
- High Flotation Tires
- Air / Liquid / Solid Filled Tires
- Spare Parts Kits
- Service Contracts
- Spare Auger Kits
- 3-Year Total Care & Warranty Package
- Umbrella Kit
- Somero® Floor Levelness System®

WHAT OUR CUSTOMERS SAY:

“ The S-22 is so fluid and a lot easier to operate. Machine responds rapidly to every movement with no hesitation. IT'S THE BEST MACHINE I'VE RUN!”

— Jack Mills, *Full Tilt*
